April 20, 2011

Cunningham Professional Fire Fighters Local 3027,

The morning of April 3, 2011 the Arvada Fire Protection District and IAFF Local 4056 had two Firefighters injured in the line of duty. While performing a primary search during a double house fire, the two were overtaken by fire and tremendous heat. Thankfully, due to training and PPE Fire Fighter Kevin Jacovetta and Fire Fighter Chris Paine were able to escape from the structure alive. They were treated on scene for burn injuries and transported to University Hospital. At University they received care for second and third degree burns to their hands, arms, shoulders, backs and ears.

These are the moments in life we all wish would never happen. However, we are all well aware they do. It is moments like these when we are in need of support. It is moments like these when people like YOU show how kind, compassionate and considerate YOU truly are. And it is moments like these, we get the opportunity to stop and say THANK YOU.

THANK YOU for all your support and assistance during our time of need. THANK YOU for your thoughts and prayers. THANK You for keeping the BROTHERHOOD alive.

Fraternally,

A handwritten signature in cursive script that reads 'Jamie'.

Jamie Denison, President
Arvada Professional Fire Fighters, Local 4056
